

Department of Music

Departmental Profile

The Music Department of Salesian College offers learning and training in both Indian Classical Music and Western Music. The department encourages students to explore music as an art form that inspires creativity, discipline, and cultural understanding.

Vision

To nurture musical talent and promote appreciation for both Indian and Western musical traditions.

Mission

- To provide quality education in vocal and instrumental music.
- To encourage creativity, performance, and appreciation of various music styles.
- To preserve the heritage of Indian Classical Music while exploring the richness of Western Music.
- To prepare students for careers in performance, education, and music-related fields.

Activities

- Regular student performances, workshops, and lecture demonstrations.
- Participation in inter-collegiate, regional.

Music Club

The Music Club functions under the Department of Music and provides a platform for students from all streams to showcase their musical talents.

It organizes events such as open mics, musical competitions and special performances during college functions. The club promotes teamwork, creativity, and a shared love for music within the campus community.

Courses Offered (UG)

- Indian Classical Music (Vocal/Theory)
- Western Music (Theory and Instrumental)
